LAST LYCEUM NUMBER DELIGHTS AUDIENCE

The last number of the Redpath-Horner Lyceum course at Monett this season was given at the Baptist church Wednesday evening by Lu Ring and Miss Mary Anderson. The entertainers delighted their audiences and repeated vigorous applause demonstrated their appreciation.

Mr. Ring is a tenor, composer and violinist. He had a varied repertoire, pleasing all tastes. His voice was at its best in his selections from Rigolotto and Martha but his lighter numbers were delightful, he being equally good in humor and pathos.

Mr. Ring is also a violinist of skill and technic of a high order. He played some original numbers which showed him to be a composer of ability. His duet selections with Miss Anderson were very beautiful.

Miss Anderson substituted for Miss Helen Louise Wolsot, who has been with Mr. Ring the most of the season and who was recently married. Miss Anderson is a reader of exceptional ability and gave a number of selections, both humorous and pathetic. The numbers which most delighted the audiences were perhaps "Home," with violin obligato "Home, Sweet Home," by Mr. Ring; and an Italian's version of a base ball game, a rich comedy number.

Miss Anderson was also a talented violinist and an excellent accompanist.

MRS. CAROLINE RODEN DEAD

CHAMP CLARK DIED WEDNESDAY

Missouri Congressman Dies But Two Days Before Term Ended.

Washington, March 2.—Death closed today the career of Champ Clark of Missouri, for more than a quarter century a towering figure in national politics, a stalwart of stalwarts in the democratic party.

He died in the very shadow of the capitol, just over the way from the hotel where he has lived many years. House and senate seethed in the closing hours of the congress of which he was an honest member and leader.

In that pressing work Mr. Clark took active share up to little more than ten days ago, counselling his party colleagues as democratic leader until a cold struck him down to become a victim to the infirmities of his seventy years of driving life that reckoned nothing of his own physical welfare.

Mr. Clark would have been 71 years old had he lived until next Monday, but his twenty-six years of service in the house would have ended Friday, for he was defeated for re-election.

Cheerful Philosophy

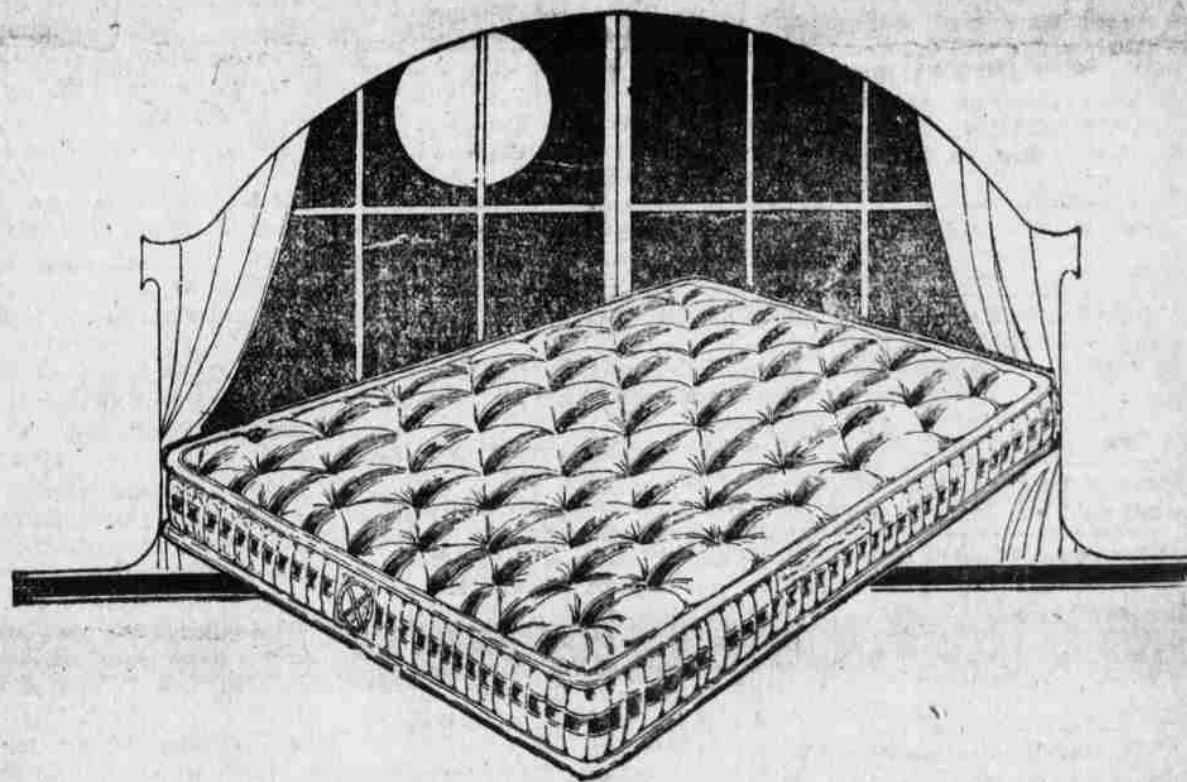

There is some cheer in the statement: "If you can't get what you want you can at least want what you get."

That's all right, but why not get what you want? Suppose it does take some effort. Suppose you do have a struggle. Isn't that better than simply wanting what you get? Certainly it is. We all want money. Why not try to accumulate some? Why not open a savings account at our Bank and try, and try hard, to get what you want? We stand ready to help at every step of the journey. Slow but sure has won many a race.
